

The Mission-critical Video Hub for Public Safety

Law enforcement training clips sit scattered in libraries. Listening to shared messages eats up hours. When seconds matter, information hides.

EnterpriseTube gives your agency one secure portal to:

- ✓ **Publish with Control**
 internal briefings, stakeholder updates, and more
- ✓ **Reinforce Staff Training**
 with in-video quizzes, polls, and handouts
- ✓ **Ask Plain-language Questions**
 and jump straight to the answer
- ✓ **Surface the Exact Moment**
 you need with automatic summaries and chapters
- ✓ **Find Any Clip Fast**
 through faces, spoken words, tags, objects, and text in videos

Security and Compliance

Role-based access, single sign-on (SSO), and full audit log

Supports CJIS, FIPS, NIST requirements, and more

Flexible deployment across on-prem, private cloud, or both

Ready to See It in Action?

Request a free trial to host videos securely and cut video retrieval time from hours to minutes using VIDIZMO EnterpriseTube.
